NOW OFFERING 16 HRS PER WEEK

The club is pleased to now be able to offer 16 hours per week pool time in addition to 2 land training sessions per week and monthly long course training in Coventry/Loughborough. The club is always striving to improve the service it offers and we hope that this move will lead to more of our performance swimmers achieving regional and national qualification.

COMPETITIVE START AWARDS

Over 60 swimmers passed their competitive start award in September. If swimmers would like a badge/certificate for this then these can be purchased on a Tuesday or Friday evening from the club desk for a cost of £3. For the list of swimmers who passed, please ask the club desk on a Tuesday or Friday evening.

STANDING ORDER CHANGE – 1ST NOVEMBER

Members are reminded that the new monthly fees come into effect from November 1st and standing orders need to be amended accordingly. Although fee increases are never a good thing, they are necessary to ensure the club is not loss making in 2014. Pool hire fees in 2014 are budgeted to be in the region of £60,000.

WOLVERHAMPTON OPEN MEET

All entries have been accepted for this meet. However, they are in need of timekeepers and judges. As it is a level 3 meet, timekeepers do not need to be qualified but do need to be members of the ASA. If anyone is willing to officiate on this day then please let me know asap.

FUTURE OPEN MEETS

We are currently advertising three open meets – these are the Wyre Forest County Qualifier on Dec 8th, Manchester Long course level one on weekend Dec 20-22nd and the Stourbridge Crystal Meet in January. Forms can be downloaded from the club's website and Julie Comrie has some to distribute. If in doubt, speak to the Head Coach.

BEHAVIOUR IN CHANGING ROOMS

Swimmers are reminded that inappropriate language, use of electronic devices, swinging from cubicles, swirring shampoo/shower gel, banging doors, hiding in lockers, sharing showers and ignoring lifeguard directions are not permitted in the changing village. The club was disappointed to receive a formal complaint from the centre regarding the conduct of our members. From now on, the centre will forward the names of offenders to the club committee who will take action accordingly.
